

Kit List

We don't want to teach you to suck eggs, but we do want to make it super easy for you to sling what you need in a bag and hotfoot it down to Devon...

- **Please pack lightly and preferably in one smallish bag.**
- **Our secret site is accessible only by 4-wheel drive, walking or canoe!**

On arrival you will be met by your two Babes In The Woods™ hosts. One of them will lead you on a leisurely 25-minute walk to the secret site whilst the other will drive your bags into the woodland. Welcome drinks will be served as you enter our woodland encampment.

- **Please do not bring any unnecessary valuables as they will have to endure a rocky 4-wheel drive journey...!**
